1. Purpose & Objective

The purpose of this policy is to ensure the curriculum at SKBZ Bangladesh School meets ADEK's standards by providing a broad, balanced, and inclusive education. This policy outlines the curriculum structure, requirements, and implementation strategies to promote student learning, personal growth, and holistic development.

This policy aims to:

- Align the SKBZ Bangladesh School curriculum with ADEK's regulations and UAE national priorities.
- Establish a structured progression of learning with clear learning outcomes.
- Ensure curricular choices and cross-curricular links for authentic and meaningful learning experiences.
- Promote respect for UAE culture, national identity, and global perspectives.
- Support students with additional learning needs and multilingual learners.

2. Scope

This policy applies to:

- All faculty, staff, and students at SKBZ Bangladesh School
- The development, implementation, and assessment of the curriculum across all grade levels.
- Compliance with ADEK's curriculum, inclusion, and assessment policies.

3. Definitions

- **Curriculum:** The academic content, learning standards, and instructional materials used in teaching.
- **Academic Plan:** A structured framework that outlines the school's curriculum, learning outcomes, and assessment strategies.

- **Core Subjects:** Mandatory subjects such as Arabic, Islamic Studies, UAE Social Studies, Mathematics, Science, and English.
- **Cross-Curricular Learning:** Integration of knowledge and skills across multiple subjects.
- **Learning Pathways:** Tailored academic options to support students' aspirations and career goals.

4. Policy Statement

SKBZ Bangladesh School is committed to delivering a high-quality curriculum that aligns with ADEK's requirements. Our curriculum:

- Follows Dhaka Board standards while incorporating UAE's compulsory subjects.
- Provides a structured and progressive learning experience.
- Integrates cross-curricular links and interdisciplinary learning.
- Supports students with additional learning needs and promotes inclusivity.
- Includes a range of extracurricular activities to enhance student learning.

5. Guiding principles

1. Curriculum Structure & Alignment:

- SKBZ Bangladesh School follows a vertically and horizontally aligned curriculum.

2. Assessment & Monitoring:

- Student performance will be tracked using standardized assessments.
- Teachers will provide intervention plans for students needing additional support.

3. Extracurricular Integration:

- Activities will be designed to complement academic learning.
 - Students will have access to clubs, competitions, and skill-based programs.
-

8. Curriculum Alignment

Purpose

The curriculum will be **enhanced through international benchmarks** such as **PISA (Programme for International Student Assessment)**, **TIMSS (Trends in International Mathematics and Science Study)**, and **PIRLS (Progress in International Reading Literacy Study)** to promote global competency and higher-order thinking skills.

☐ Step 1 – Curriculum Overview & Learning Outcome Modification

1. Identify Target Areas / Strands / Domains

Each subject must define its major strands or domains.

Example:

- **English** → Reading, Writing, Speaking & Listening
- **Mathematics** → Number, Algebra, Geometry, Measurement, Data Handling
- **Science** → Living Things, Materials, Energy, Earth & Space

2. Map Learning Outcomes as per Dhaka Board

- Refer to the **latest Dhaka Board syllabus** for each grade and subject.
- Modify the phrasing of learning outcomes to make them **specific, measurable, achievable, relevant, and time-bound (SMART)**.
- Use **action verbs** such as *identify, explain, compare, analyze, design, evaluate*, etc., to clarify expectations.

3. Integrate International Enhancements

Enhance subject learning outcomes by integrating global benchmarks:

- **PISA:** Focus on literacy, problem-solving, and critical thinking skills.
- **TIMSS:** Emphasize inquiry-based learning and analytical thinking in Mathematics and Science.
- **PIRLS:** Strengthen comprehension, interpretation, and inferencing skills in Reading and Language.
- **ASSET-** Strengthen comprehension, interpretation, and inferencing skills in Reading and Language

Each subject team maintains a table in the following format:

Target Area / Strand / Domain	Mapped Learning Outcome (Dhaka Board)	Enhancement (PISA / TIMSS / PIRLS)
-------------------------------	---------------------------------------	------------------------------------

□ Step 2 – Curriculum Mapping 2025

All finalized and enhanced learning outcomes are compiled into the **Curriculum Mapping 2025** document.

This mapping will serve as the **core reference** for lesson planning, assessment design, and instructional strategies to ensure alignment between teaching practices and learning outcomes.

9. Compliance & Enforcement

- Non-compliance with ADEK's curriculum policy may lead to corrective actions.
- The school will maintain documentation of curriculum implementation and improvements.
-

10. Review & revision.

- This policy will be reviewed annually in alignment with ADEK regulations.
- Updates will be communicated to staff, students, and stakeholders.
